## Product Specification

### Long Island flooring

---

#### Technical Specification

Style	Woven Rib
Fibre	UV-resistant outdoor solution polyamide
Material	Polypropylene
Width	ca.400cm
Total height	ca.4.5mm
Total weight	ca. 1.9kg m2
Backing	Exterior Foam
Flammability	Cfl-S1
Wearing Class	BS EN 1307 Class 32
Suitability	Indoor and Outdoor Water Resistant Salt Water Resistant UV Stable Underfloor Heating
Acoustical Impact	16-18dB
Colour Fastness Properties	Light ISO 105/B06 min 7 on 8
